Each child attending Kids Klub and Preschool will be treated with respect and consideration. Child Care Network, Inc. (CCN) recognizes that each child has individual needs and interests and we provide a predictable, yet flexible and varied array of activities and experiences that foster child development in a familiar, safe setting.

General Information

CCN advocates an open door policy. A parent is always welcome to observe their child's program (unless the parent poses a threat or causes dismay for any child or staff member).

Open communication between the staff and parent/guardian is essential. Parents/guardians have an opportunity to communicate with the staff briefly during drop off and pick up times. Time for longer, private, discussions can be scheduled. If problems should arise, they should be brought to the immediate attention of the teacher or site coordinator. If a problem cannot or is not resolved, the situation may be referred to CCN's Program Manager, the Executive Director of Child Care Network, Inc. and/or CCN's Board of Directors.

CCN works closely with each school corporation and each host school's principal. Although the Kids Klub/Preschool Program has its own policies and guidelines, school corporation policies and host school rules (refer to the school handbook) must also be followed.

Permission for CCN staff to communicate with Seymour or Brownstown school staff members is granted upon enrollment. If you have concerns, please speak with a CCN staff member.

CCN does not provide transportation of any kind for students or families.

Photographs and publicity of the children may occur throughout the year. Your permission is granted with your signature on the Agreement Form. Contact a Kids Klub/Preschool Program Manager if you have questions or concerns.

Weapons of any type are not allowed in any CCN facility, classroom, playground, or properties.

Registration Fee

A \$35.00 non refundable registration fee is due when a signed CCN Agreement is submitted. The registration fee is the same amount regardless of a child's attendance. One Registration Fee is charged for each school year. Note the \$35.00 registration fee is charged per family NOT per child. Registration fees are non-refundable.

Late Pick Up Fee

A fee of \$25.00 will be assessed for each 10-minute increment after closing that the child is picked up late from care. Kids Klub closes at 6 pm. Preschool closes at 2:45pm (Seymour) 2:55pm (Brownstown).

If you have a child on the CCDF voucher program, you must pick up your child and have your card swiped by 6pm. A child will be dismissed from care if he/she is continually picked up late. If a child has not been picked up by 3:15 p.m. (PK) or 6:30 p.m (Kids Klub), and if a parent/guardian or emergency contact cannot be reached, the police will be called for assistance.

Late Payment Fee

If your account is two weeks past due, your child will be unable to attend the program until the fees are paid. If your account has an outstanding balance of any amount on the last day of any month you will be charged a late fee of \$35.00.

An account will be **Suspended** if the outstanding balance is NOT PAID by the 2nd of the month. A suspended account will have the Registration and Information sections removed from your parent portal within the EZ Child Track Software and attendance will be blocked for your child(ren). A payment must be made to this account for it to be considered ACTIVE and for your child to attend Preschool.

If a parent has not made a payment in the last 2 weeks (regardless of balance), parents will be contacted on Monday by phone and informed that payment must be received by Thursday of that week. If payment is not received by Thursday, the child will not be allowed to attend the program the following week.

*Checks returned for non-payment will be assessed a \$25 fee and payment of fee is due within 10 days. Returned checks will forfeit the right to pay by check in the future.

Program fees are due on the first day of each week when childcare services are offered EXCEPT for ONE "vacation" week per school year (Kids Klub only). The vacation week request form must be turned in to the KK site staff or the KK director Child Care Network, Inc. accepts payment by cash, check, money order, or through our on-line site <https://www.ezchildtrack.com/ccn/parent/> CCN will also accept credit cards (extra fee). No change is kept or given at any CCN site for payment of fees. Overpayment will be given in the form of a credit on your Ez Child Track account.

In the event that a site has reached maximum capacity as defined by state ratio guidelines, new enrollees will be placed on a waitlist within EZ Child Track. When a spot becomes available, you will be notified by email and contacted by the designated Program Director. Your child will not be eligible to attend until all required documents are received.

Parent/Guardian and Staff Communication

Time for individual, confidential conversations can be scheduled. If a problem arises, it should be brought to the immediate attention of the Site Director or Teacher. If a problem is not resolved by the Program Manager, it may be referred to the CCN's Executive Director and/or to the Board of Directors.

Children will not be sent to meet someone on school property or to a car parked at the curb. Children will only be released to the individuals listed on the child's registration form. A picture ID will be required for any person that the site staff does not recognize or know. If an adult is unable to produce a picture ID, he/she must be able to say and spell the Safe word listed on the child's Registration Form before he/she is given custody of the child. Parents may not provide home-made treats for the class. Soda will not be accepted or served. Snacks must be approved by your site manager as we do have children with food allergies.

Speak with the Manager/Teacher for alternative, treat ideas.

Kids Klub- If breakfast is offered by the school, parents are responsible for the cost (pay the school). If the school does not serve breakfast, Kids Klub provides breakfast for no additional fee.

Please call the Kids Klub/Preschool Director or the CCN office with any questions.

Safety /Accidents

For the safety of all children, regular fire, tornado and lockdown drills are conducted.

If a child experiences an injury while at Kids Klub or Preschool, a staff member will tend to the child and thereafter contact the parent/guardian or emergency contact to share details (i.e. how the injury occurred, type of injury, type of first aid administered). On the day of the injury a site staff member will complete an Accident Form. A copy of the Accident Form will be sent home with the child. The original form will be reviewed by the designated Program Manager and added to the child's file within two days of the occurrence.

Authorization for CCN staff to seek medical treatment and transport, if needed, for a student is automatically granted upon enrollment. Please speak to CCN staff with any questions or concerns.

CCN is not responsible for a child's medical expense, injury or loss.

Discipline Policy:

The physical and emotional well-being of all children is of utmost importance in all programs of CCN. If a child exhibits non-hurtful, undesirable behavior, staff will respond by redirecting the child toward a positive and more constructive activity. A positive method of discipline will be used. A calm down area is available in each classroom if a child needs additional time before interacting with the teachers or other students in a safe and respectful manner.

However, if a child's behavior is hurtful (i.e. intentional hitting, pinching, punching, kicking, spitting) or disruptive (i.e. back-talking, yelling, cursing, uncooperative, feuding) staff must intervene to assure the safety of all children. If a child's behavior is hurtful or disruptive, a Kids Klub/Preschool staff member will discuss the issue or incident with the child and parent privately. If the situation can be resolved, the child may remain enrolled. A child will be dismissed from the program, if there are extreme behavior problems; repeated, bad behavior; or ongoing, unresolved issues.

Recurring disciplinary problems will be addressed with parents and documented. CCN staff will work with parents/caregivers to problem solve ways for each child to be successful in the program.

Extreme and/or ongoing behavior problems (i.e. intentional hitting, pinching, punching, kicking, spitting, biting) will not be tolerated and may result with the student being dismissed from the program.

In response to all misbehaviors, Kids Klub/Preschool staff will:

- Respect the child
- Verbalize rules and clear choices
- Use positive language to explain desired behavior
- Speak calmly
- Speak directly to the child at the child's eye level
- If necessary, move the child to a time-out location within staff's eye sight

In response to all misbehaviors Kids Klub/Preschool staff will NOT:

- Threaten a child
- Bribe a child
- Use physical punishment even if requested/suggested by a parent/guardian
- Deprive a child of food or a basic need

If the behavior of a child or parent causes safety concerns, childcare services will be denied.

Illness/Medication

Please do not bring a sick child to school/site. Children who are ill will not be allowed to attend. If a student appears to be ill, complains of illness, appears to have a fever or has a fever, a parent/guardian/emergency contact will be contacted and are expected to pick the child up immediately.

Any student with a fever or possible contagious condition will be isolated in a supervised area until an appropriate party arrives to pick up the child. The child needs to be symptom/fever free for 24 hours, without fever reducing medication, prior to returning to the classroom.

If at all possible, please give all medications to your child at home. If medication must be given during the hours of care, the medication must be in the original container and prescribed by a physician. The Record of Medication (state form 49968) must be completed by the child's physician and returned with the Medication. All medication must be directly handed to the site staff from an adult. The teacher will complete the medication log at time of administration.

Head Lice

In order for your child to attend, he/she should be free of live bugs. Infected children's parents will be contacted. A note from the school nurse, your physician or the Health Department may be necessary upon returning. CCN follows the host school's protocol regarding Head lice.

Personal Belongings

Personal belongings are the responsibility of the children. Each child will be given a designated area for their belongings. Please label coats, hats, bags, water bottles, etc. to prevent confusion. A lost and found area will be maintained. Because of possible mix-ups, losses or damage, we ask that you

please do not allow your child to bring toys, cell phones, game systems, or other personal belongings unless approved by the Site Manager.

Preschool parents please provide a change of clothes (i.e. pants, shirt, socks, underwear) for your child. The items will be placed in a plastic bag, labeled and returned at the end of the year.

COVID-19 Pandemic

CCN works closely with both the Seymour Community and Brownstown Central School Corporations to adhere to the latest protocol regarding the COVID-19 pandemic. If you have any questions, please speak with a CCN staff member or visit <https://www.in.gov/isdh/> for additional information.

PRESCHOOL OVERVIEW

Purpose

The purpose of CCN's Preschool program is to (1) prepare children for school success and (2) encourage parents to become active partners with their child's learning.

Description

CCN's Preschool Programs will accommodate children in an appropriate environment to readily enhance each student's skill and emotional growth. Preschool classrooms have learning areas (i.e. math, blocks, reading, art, science, dramatic play, writing, music). Each learning area is equipped with books, materials, tools and activities to promote developmental skills in seven key areas:

Language, Literacy, and Communication

Mathematics

Science and Technology

Social Studies

Creative Arts

Physical Development and Health

Social and Emotional Development

Curriculum

CCN's Preschool teachers develop individual and learning area plans from High Scope Curriculum materials. High Scope Curriculum aligns with National and Indiana early childhood education standards and is based on recent research and findings regarding child development and effective practices. Parents will receive detailed information regarding the curriculum used in their child's classroom during the Getting Ready for School Night held prior to the first day of school.

Parent Engagement

A time will be scheduled to allow the teacher an opportunity to share specific goals, assessment data and upcoming plans. During this time the teacher will also offer tools and tips for teaching at home. Family Events will also be held during the year.

Assessment

CCN will utilize the KRI (Kindergarten Readiness Indicators) assessment developed by NORC to assess students. This record will let the teacher know what concepts are understood and which are not yet grasped.

Preschool Program Basics

Admission

CCN will accept children who are the appropriate age and have family members truly interested in the growth and development of their child.

(i.e. children must be four years of age by August 1 and toilet trained)

Inclusion Policy

Parents must notify CCN upon enrollment about any special needs (i.e. physical and/or emotional challenges, special medications). The more information that is shared about a child, the more adequately staff can assist a student with his/her needs. Any information from a pediatrician, therapist, case worker, or other service provider that may be working with your child will be helpful. CCN will cooperate and communicate with outside agencies that may be involved in planning for future educational and developmental growth. Referrals to school and/or community programs that are deemed appropriate will be made.

Each student's growth and development is important to CCN. Decisions regarding individual students are based upon and reflect the safety and ability of success for the class as a whole.

On My Way PreK Grants

<http://www.onmywayprek.org/>

CCN will accept On My Way Pre-K Scholarships and CCDF payment processed by River Valley Resources. Scholarship approval must be presented before a child can attend. Parents are responsible for any differences in the approved scholarship grant amount from River Valley Resources and the fee charged by CCN for the On My Way Program. Parents are responsible for payment upon completion or termination of On My Way scholarships.

Hoosier Works Cards

Kids Klub meets Indiana child care regulations thus CCN can claim fees if a child's attendance is recorded via the Hoosier Works Card. Parents who receive CCDF (Child Care Development Fund) assistance (Vouchers) MUST swipe their Hoosier Works Card to record their child's attendance. The

Hoosier Works Card should be swiped in and out on the Point Of Service (POS) machine EACH AND EVERY DAY a child attends Kids Klub. Should a Hoosier Works card holder be at a site only once each day, the cardholder must be responsible for any and all previous check-in and check- out swiping.

CCN STAFF CANNOT HAVE ACCESS TO A HOOSIER WORKS CARD. AN AUTHORIZED CARDHOLDER MUST COME TO THE KIDS KLUB SITE AND SWIPE THEIR HOOSIER WORKS CARD.

Hoosier Works Card swiping must occur per State guidelines for Kids Klub to receive the fees that are due. Parents are responsible for any differences in the approved CCDF amount from River Valley Resources and the fee charged by CCN for the Kids Klub fee.

If a Hoosier Works Card is denied once, the Hoosier Works Cardholder will be notified verbally and reminded of the required swiping procedure needed to process the payment due.

If the parent fails to swipe the card or keep the card current with CCDF, the parent will be responsible for the unpaid fees. At this point, all cash paying rules will apply. All copay amounts will also follow all cash paying rules.
